

# Applying for a garage

renting an affordable garage

We aim to provide well maintained and affordable garages for rent to tenants and others in the community.

## How to apply for a garage

To apply for a garage you will need to complete and return an application form. These are available from our offices, or online at [www.aspirehousing.co.uk](http://www.aspirehousing.co.uk)

We will then:

-  give priority to people with a registered disability
-  give preference to tenants who live in a home owned by Aspire Housing before considering other applications
-  allocate garages in date order of application

*Keep your car warm and dry!*

## Conditions

-  Applicants must be aged 17 or over
-  The garage is only to be used for the storage of private motor vehicles
-  Your application will not be considered if you are in rent arrears
-  If you currently rent a garage from us you can apply to transfer or exchange it providing your rent account is paid up-to-date
-  When you end your garage agreement, the garage must be left empty, clean, in a good state of repair and the keys returned to us

A list of garage sites and the costs of renting are available from our offices.
